Amazon Kindle Permission and Acceptable Use Form

Introduction

The Amazon Kindle is a portable electronic reading device. It is the size of a paperback and can hold up to 3,500 books. The chance to use this device is a privilege that we are able to offer to Skyview students provided that students demonstrate extreme caution and responsibility. **Each Kindle is valued at \$139.00 plus \$32.50 for accessories.** For this reason we require a parent signature before a Kindle can be checked out to a student.

Other Benefits

- Unfamiliar words can be instantly defined using the onboard dictionary
- A student can highlight sections of text and make annotations or notes
- The text-to-speech feature can read sections of text out loud

Parent Responsibilities and Permission

I am authorizing the checkout of a Kindle to my child. I understand that it is to be used as a tool for reading and learning and that my child will comply with the District 49 Acceptable Use Policy. I will help ensure the safe and timely return of the Kindle within the loan period of one week. I agree to assume financial responsibility for any willful, malicious, or accidental damage to the Kindle as well as any charges resulting from content downloaded to the Kindle during the loan period. I understand that my child may lose future library privileges if the Kindle is either damaged or not returned in a timely manner. I also understand that if the Kindle is lost or damaged, all unpaid library fines are forwarded to a collection agency at the end of the school year.
